Headteacher: Mrs. S Hughes

17th November 2025

Dear Parents and Carers,

We are currently looking for new Parent Governors to join our Governing Body here at Newton Primary School, and we would love to hear from you if you are interested in getting more involved in supporting the strategic direction of the school.

Being a school governor is a rewarding role that allows you to help shape the future of our school and make a real difference in the lives of our children. As a governor, you would work alongside the Headteacher and leadership team to support the school's vision, monitor progress, and ensure accountability. It's important to know that this is not the same as being part of the PTFA – the role is focused on the bigger picture and long-term planning rather than day-to-day fundraising or organising events.

You would be joining a friendly and welcoming team of governors – some of whom have been in post for several years, while others joined just over a year ago. This mix of experience makes for a supportive environment where everyone is learning together and contributing their unique perspectives.

If you'd like to find out more about what it's like to be a school governor at Newton, we encourage you to have a chat with Mrs Hughes or with one of our current parent governors – Paul Fenwick, Chloe Lewis, Jonathan Todd, or Lauren Green – who will be happy to share their experiences with you.

We hope you'll consider applying and helping us continue to make Newton Primary the best it can be for all our children.

Warm regards,
Mrs Sarah Hughes
Headteacher

Mr. Paul Fenwick
Chair of Governor
